

FOR IMMEDIATE RELEASE

Prairie Band, LLC Expands Portfolio with Acquisitions of Burgos Group and Get Volts®

[Prairie Band Potawatomi Nation, July 7, 2023] – [Prairie Band, LLC](#) is excited to announce the acquisition of Burgos Group and Get Volts®, further bolstering Prairie Band, LLC’s strength in the federal government contracting sector. Burgos Group offers general and electrical construction, facilities operations, logistics and professional technical services, while Get Volts® is a national full-service electrical service provider.

“The addition of Burgos Group and Get Volts® to our portfolio aligns perfectly with our long-term vision,” said CEO of Prairie Band, LLC Jacob Wamego. “This strategic move enables us to expand our range of services and enhance our ability to provide industry leading construction solutions to our clients. We are confident that the integration of these exceptional companies will fuel our growth and position us at the forefront of the industry.”

### **Burgos Group**

[Burgos Group](#) is a graduate of the SBA’s 8(a) program with an exceptional track record of delivering successful projects across the United States for 14 federal agencies. Consistently delivering high-quality projects, Burgos Group has established itself as a trusted partner for federal agency clients. Along with this acquisition, former CEO of Burgos Group Mario Burgos will assume the role of Chief Strategy Officer at Prairie Band, LLC.

“We are thrilled to join forces with Prairie Band, a dynamic organization that shares our commitment to excellence and service,” said Mario Burgos. “This strategic partnership will enable us to scale our operations and deliver even greater value to our clients. I am excited to leverage our collective strengths and contribute to the continued success of Prairie Band.”

“This acquisition not only validates the hard work and dedication of our team, but also allows us to strengthen our position in the market and expand our capabilities in the construction industry,” said David Burgos, who will continue leading Burgos Group as Chief Operating Officer for Construction Services. “I am honored to be part of this journey and look forward to leading our talented team towards a future of continued success.”

### **Get Volts®**

[Get Volts®](#) is a commercial electrical contractor with public and private sector customers. More than 80% of Get Volts® business comes from repeat customers and the company has had operations in New Mexico for over 40 years.

The acquisition of Burgos Group and Get Volts® marks a significant milestone in Prairie Band's growth strategy, strengthening its position as a growing player in the federal construction space. By integrating the expertise and capabilities of these two exceptional companies, Prairie Band is

poised to offer comprehensive, end-to-end solutions that meet the demands of an ever-changing construction landscape.
